Lr.No. TNEBEA/GS/D. 85 /2020, dt.19.05.2020.

Sir,

Sub: TNEBEA - Poor Maintenance of Head Quarters
office building to be attended urgently - Reg

Vanakkam.

The Head Quarters officers and staff are working in a building under renovation, for the past 2 years extending cooperation with patience in view of expectation of a better renovated building.

But to our dismay the work of renovation is going on very slow pace with no sign of completion in near future.

To add to light the COVID-19 pandemic forced the atmosphere un fit to work with no sanitation and cleanliness as mandated by state or central government.

The Rest room condition is even worse and some without doors. There is no facility for hand wash at all in the rest rooms.

It is regretted to bring your kind attention that in spite of repeated personal representation with Civil Maintenance Wing of the Head Quarters there is no response to date.

Tamil Nadu Electricity Board Engineers' Association

Regn. No.217/94

The Association in fact took some initiative to provide the foot operated sanitizer dispenser on both side of the HQ's Office.

Hence the TNEB-Engineer's Association urges the intervention of the CMD to set right the worst maintenance in the Head Quarters building to safe guard the interest of the staff.

Further the staff may be allowed to work in alternate days on par with other government office to reduce the risk of COVID-19 to avoid the closed down of offices.

With warm regards,

Yours sincerely,

T. Jayanthi
