Vanakkam.

Consequent to the exponential rise of COVID-19 positive cases in all over Chennai, it is also very much alarming to realize that the number of COVID-19 positive cases are increasing in TNEBHQ campus.

It is understood that there are COVID positive cases in 8<sup>th</sup> floor Admin wing, LD Block, Projects Office, Udankudi, SE/CEDC/North Admin wing and some other wings also. Some officials and staffs are in queue also for COVID testing.

Most of the officers and staffs are in trauma in coming to the office as there every possibility of getting infected as social distance could not be maintained with full attendance but which is most essential to be maintained during this COVID pandemic. The Govt of India / GOTN directs to follow the same strictly in all work places to avoid community spread of COVID-19.
