Of these, 15 incumbents were promoted as EE/Civil vide BP
No.12 dated 27.01.2020. The remaining 5 Nos AEE/Civil who
have joined in 1995 and put up 24 years unblemished services,
are eagerly waiting for their genuine second promotion.

At present, there are 4 EE/Civil posts are kept vacant
which are mentioned below.

to join the deputation post).

In this regard, TNEBEA records to state that already

the past 4 months. Due to this, the maintenance work is looked after as additional charge. Due to the prevailing COVID 19 pandemic situation and also getting further worsen in Chennai region, it is mandatory that the HQ buildings have to be maintained clean and hygeine adhering to safety guidleines given by the TN Govt then and there. In view of this, the EE/Civil/HQs has to be filled up along with the remaining EE/Ciivl posts immediately which also paves way for the remaining eligible engineers in that posts.

Further it is learnt that the delay is due to the modification requested by some civil Engineers. Hence it is requested to post the promotions first to those who are waiting indefinitely for their second promotion even after 24/25 years of service.

Hence, TNEBEA earnestly requests our respected Chairman and Managing Director to issue the promotion orders at the earliest, please.

Thanking you,

Yours sincerely,
