Lr.No.TNEBEA/GS/D.100/2020 dt 07.07.2020

Dear Sir,

Sub: Request to meet and greet our Newly joined respected CMD and to discuss the grievances of TNEB Engineers' Association - Requested - Reg.

Vanakkam !!

At the outset, We would like to introduce ourselves, **TNEB ENGINEERS' ASSOCIATION**, a prestigious and renowned Engineers only forum recognized way back in 1946 by GoTN.

We whole heartedly extend our wishes to our beloved Newly joined Respected Chairman cum Managing Director, **Shri. Pankaj Kumar Bansal, IAS**. We are also happy to hear that our respected CMD is an renowned Engineer graduated from IIT.

We, further like to greet in person with the introduction and requested your kind time to allow us for the same. It is nevertheless to say that it is customary, greeting in person.

Our TNEB Employees and Engineers are working hard to ensure 24 X 7 uninterrupted power supply to the public in this present COVID 19 pandemic period. Due to this, some of the TNEB Employees and Engineers suffering a lot and even some of them have lost their precious lives.

Recently, regarding this, on behalf of the All-union Joint action committee comprising of all unions and association, we have submitted a detailed project report on COVID Care Center exclusively for TNEB Employees in our own TNEB premises to ensure the care center for our affected TNEB Employees and Engineers in Chennai.

Also, as the major power sector reforms introduced by the central govt particularly the Draft Electricity bill 2020, for which our GoTN expressed its various concerns over the amendments proposed, it is to be discussed in detail with all the unions and Association before finalizing to ensure the Board and its employees' benefits in the long term perspective. The momentum is geared up by the Ministry of Power, which is learned by the recently concluded all-state power ministers and top officials meeting on 03.07.2020 without any discussion with other stakeholders and power experts.

In addition to that, TNEB subject matters like Tripartite agreement proposal, Direct recruitment of AEs, Time bound promotions, Stopping of redeployment and suppression of posts, etc, have to be represented to your kind knowledge and require our CMD's immediate attention.

It is requested to either arrange a video conference or through video call facilities to detail the same as early as possible, if our CMD desires owing to COVID 19 limitations.

At last, we are always for the Board's and TNEB Employees & Engineers prosperity. At this crucial juncture and present position of the Board, TNEBEA assures its maximum support towards the proactive steps taken by the Board in forward direction and ensuring the Employees and Engineers welfare.

We, TNEB Engineers Association, therefore, appeal our new Chairman cum Managing Director to consider our supplication and allot us time for the detailed discussion at the earliest, please.

Thanking you,

Yours sincerely,

General Secretary,
TNEBEA
