Vanakkam !

Hearty wishes to all !

Right from COVID19 pandemic started during 2019, our TNEB Employees and Engineers working hard to ensure 24 X 7 uninterrupted power supply amidst insecure safety conditions across the grid. Many of our Member Engineers and other Employees got infected and subsequently many got admitted to the Hospitals and recovered. Some of them have lost their precious lives too. Regarding this, TNEBEA already represented for the extension of the relief measures on par with the TN Govt Frontliners and it is still only partially extended.

Now, after a decline, the COVID -19 pandemic circumstances resuming again with a steep rise in no of infected cases day by day and it is essential to safeguard the TNEB Employees and Engineers from the pandemic consequences.

It is learnt that, presently many of our officials including top official of the TNEB got affected with the COVID19 infection. Thus, it is necessary to strictly adhere and implement safety procedures on par with the TN Health SOP guidelines in all the offices of the TNEB immediately.

The Vaccination drive for the COVID 19 started during last month across the state to the TN Govt frontline workers initially and now it is extended to the general public having age above 60 and above 45 with comorbidities consequently. Also, it is learnt that, now above at the age 20 may also get vaccinated as per revised TN guidelines.

Regn. No.217/94

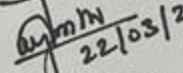

In view of safeguarding our TNEB employees and engineers, TNEBEA has appraised our CMD to accord permission to conduct the vaccination drive at TNEB HQRS by coordinating with Chennai Corporation and TNEB HQ Dispensary.

As being one of our social interest and care to ensure our employee's safety, I request you to take this initiative for conducting similar vaccination drive at your branches also for all employees. It is requested to approach the appropriate TN Health department officials, TNEB officials and plan further arrangements. I also request our member Engineers and also other Employees to utilise this opportunity to get vaccinated safely.

Thanking you,
