Lr.No.TNEBEA/GS/D.112 / 2021 dt 12.07.2021.

Dear Sir,

Sub: TNEBEA – PG increment- Sanction - Requested - Reg.

Vanakkam !!

TNEB ENGINEERS' ASSOCIATION extends our sincere thanks to the CMD for addressing our issues then and there.

We wish to mention that even after our repeated representations, PG increments to the eligible engineers are yet to be sanctioned, even though the GoTN had sanctioned the said increments to their engineers who had completed their PG degree courses in Engineering before the GO(MS) No:37, Personnel and Administrative Reforms Dept (FR-IV) Department, Dt 10.03.2020.

Based on the above GO., a BP has been issued in TNEB vide (Per) FB TANGEDCO Proceeding No.10 Dated 23.03.2020.

However, this issue is not yet been settled and long pending for those who completed their PG degrees well before the cut-off date.

In this connection, we would like to submit the following few lines for your kind consideration and favourable orders

1. Acquiring additional knowledge and updating with the latest technologies will be very much helpful for carrying out day to day works and for the welfare of the Board.
2. The Government school/college teaching faculties have sanctioned with additional increments, whenever they acquire a new degree, which enlighten the life of the student community.

3. Similarly, the knowledge gained through Engineering PG courses are fully utilized for the development of the Board only and not for any outside agencies usages
4. In view of the above, we request that the PG increments may be sanctioned immediately to those who completed earlier and also we request that this benefit may be continued in Board for those who are pursuing their PG degree courses now to motivate them).
