O/o Director(Generation)  
TANGEDCO, Chennai-2

Memo.No.Dir(G)/CE/M/TS/SE/R&M/EE/R&M/A3/F.Improvement of TPS/D.905/21 Dt 25.08.2021

Sub: TANGEDCO – Heat Rate of Thermal stations – Assessment of correct quality of coal inside all our plants and losses in quality of coal inside all our plants by engaging M/s. Central Institute of Mining and Fuel Research (CIMFR) by the respective power plant CEs -- Instructions – issued -- Reg.

Ref: FLM: NOTE (APPROVAL) : W/98/2021.

\*\*\*\*

On the FLM: Note (Approval):W/98/2021 seeking in-principle approval to fix Central Institute of Mining and Fuel Research (CIMFR), an organization under Government of India, by Chief Engineers of respective stations, (in coordination with CE/Coal) for assessing the correct quality of coal inside all our plants and losses in quality of coal inside all our plants, which shall help in assessing the actual Heat Rate, CMD/TANGEDCO has remarked as below.

“We can do it for 3 months till our labs are equipped well after that we will decide the level of engagement”.

In view of the above, it is instructed to take further action in this regard to assess the correct quality of coal inside all our plants. Necessary administrative approval proposal indicating the cost and other terms of CIMFR may be evolved and processed through CE/Coal.
