Regn. No.217/94

The above Engineers are working very sincerely and such disturbances not only demoralizes them but also the Engineers working in TNEB. Further it is to be informed that more such type of orders have been issued in the recent which creates unrest among the Engineers working in the field.

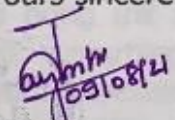

The Association always supports the management in adopting the transfer policy. The Engineers were transferred abruptly without any valid reasons (3-year rotational period, DP cases, complaints or on individual request transfers). The transferred Engineers are thus left with the deep stress and anguish by this sudden administrative transfers which are against principle of natural justice & fair play

The Association therefore requests the CMD to arrange to issue transfer orders in a transparent manner and not to disturb in the name of Administrative Transfer,

Thanking you,

Chennai

Yours sincerely,

General Secretary/TNEBEA
