Lr.No. TNEBEA/GS/D. 07 /2022, dt. 10.01.2022

Sir,

Sub: TNEBEA - Unethical treatment and threatening to our Executive Engineer / Manamadurai by the District Collector / Sivaganga in open forum meeting - appropriate action- Reg.

Vanakkam.

TNEB Engineers' Association extends its heartiest season greetings to our beloved Chairman and Managing Director / TANGEDCO.

The Association wish to register its concern and to take appropriate action please:

On 27.12.2021, the District Collector/Sivaganga has called the Executive Engineer / Manamadurai to report regarding a pole shifting in a farmers land which involves DCW works.

On explaining the same to the District collector/Sivaganga by Mr.G.Selvam, EE/O&M/Manamadurai, he has been ill treated and threatened by the district collector for not shifting electric pole as a Board Work.

This pole and connected transformer structure were erected and commissioned 3 (three) years ago and hence shifting of pole can be done only under DCW category.

When these facts were explained by EE to the district collector, he had shouted at EE as follows: "You (TANGEDCO) only erected pole and why the complainant to pay money".

Further he warned that if EE is not obliging, FIR would be filed against the Executive Engineer. This incident has created much mental agony to the individual and also among the other Engineers.

Hence TNEBEA requests CMD to take appropriate action so as the District Collectors to treat the TANGEDGO Engineers with dignity and dispose the General public petition as per the Supply and Distribution Code, Electricity Act / Regulation.

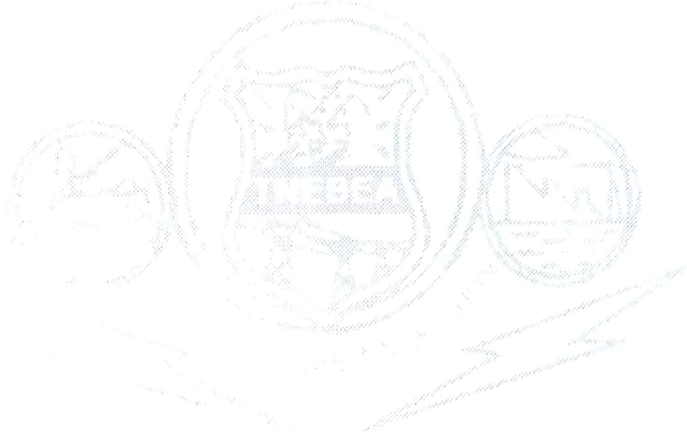

With warm regards,

Yours sincerely,

T. Jayanthi
