Dear Sir,

Sub: TNEBEA -CMD discussions - Reg.

Vanakkam !!

TNEB ENGINEERS' ASSOCIATION extends our sincere heartfelt thanks for issuing the long pending Promotion Orders.

Further, The Association would like to record its concern on the following issues.

1. As per the recent announcement of Our Honourable CM to make all the recruitments for Tamilnadu Govt./PSU Officers and Staff through TNPSC and We would request the CMD to initiate the recruitment process of Assistant Engineers through TNPSC immediately after lifting the local body election code of conduct.
2. TNEBEA expresses its interest in participating in the discussion in finalizing the jurisdiction of the formation of new regions. Further we request our CMD to take necessary steps to create new posts for new regions instead of redeployment of existing post, as all the posts were created with proper justification.
3. Approval of additional Charge allowance & thermal Incentive is to be considered at the earliest as many audit paras are raised on the above.
4. Recently CERC has given draft notification vide 110.L.1/261/2021/CERC dated 16.12.2021 on draft CERC (Connectivity and General Network access to the Inter-state Transmission System) Regulations 2021 inviting comments/suggestion/objections from stake holder. In this regard it is requested to have detailed multi level discussions before giving out final comments so as to protect the interest of the TANGEDCO / TANTRANSCO.
