Vanakkam.

Out of 317 incumbents included in the promotion panel for the post of Assistant Executive Engineers / Electrical approved vide (Per) CMD TANGEDCO Proceedings No.72 (Adm.Br), dt. 13.10.2022, postings on promotion were so far issued to 180 incumbents. Postings on promotion need to be issued to the remaining 137 incumbents.

2. There are around 40 existing vacancies in the cadre of AEEs/ Electrical as on date. Around 70 vacancies are expected to arise shortly once 7 existing vacancies in the cadre of CEs/ Electrical and 14 existing vacancies in the cadre of SEs/ Electrical and around 50 existing vacancies in the cadre of EEs/ Electrical are filled up by way of promotion.

3. These Assistant Engineers, after completing 14 years of dedicated service, are looking forward to immediate orders since they are overdue. All of them are responsible for energizing 1,50,000 agricultural service connections announced by the Government of Tamil Nadu in record time. They are direct recruits appointed during the year 2008. Many of the Field Assistants with ITI qualification,

appointed during the year 2009 under their control a year later, have secured THREE promotions during this period and they are now placed on par with these Assistant Engineers. It is quite unfortunate that these direct recruits are still suffering for their FIRST PROMOTION after 14 years of dedicated service. It is therefore rational that all existing and arising vacancies by way of promotion are filled up quickly without any delay so that all these direct recruits of 2008 batch are promoted within 3 months.

4. The Association, therefore, requests that the respected CMD be pleased to kindly consider the issue of promotion orders filling up all the existing and arising vacancies in the cadre of Assistant Executive Engineers/ Electrical, so that these young engineers are motivated to be more attentive on their job.

Thanking you,
With warm regards.

Yours sincerely,

for (V. Shanmuga)
