Six (6) more vacancies may arise once orders of promotion to the post of CE/ Mechanical and SEs/Mechanical are issued. It is thus estimated that there is an accumulation of NINETEEN (19) vacancies in the cadre of EEs/Mechanical.

3. There is therefore an urgent need for organizing the DPC for identifying the eligible incumbents to be included in the promotion panel for the post of Executive Engineers/ Mechanical. It is pertinent to observe herein that the crucial date for this promotion panel is 1<sup>st</sup>April 2022. It is thus overdue.

4. The Association, therefore, requests that the respected CMD be pleased to kindly consider necessary urgent measures for approval of fresh promotion panel for the post of Executive Engineers/ Mechanical early, enabling to fill up the existing and arising vacancies in the future without any delay.

Thanking you,  
With warm regards.

Yours sincerely,

  
for (V. Shanmuga)  
General Secretary
