**Lr.No. TNEBEA/GS/D.40/2023 dt.16.05.2023**

Respected Sir,

Sub: Posting of Chief Engineers (Electrical/  
Mechanical) to manage the affairs of Thermal  
Power Stations - Urgent action requested -  
Reg.

Vanakkam.

TNEB ordered to post Chief Engineers (Electrical/Mechanical) to manage the affairs of all the four Thermal Power Stations available at that time. It was ordered therein that there should be only one CE/ Mechanical among the four Generating Stations at any point of time. Subsequently, there was an addition of two more Thermal Power Stations, one at NCTPS-2 and another at MTPS-2. TANGEDCO posted Chief Engineers (Electrical/Mechanical), posting CE/ Electrical to one Generating Station and posting CE/Mechanical to another Generating Station. Altogether, there are 5 Generating Thermal Power Stations at TTPS, MTPS-1, MTPS-2, NCTPS-1 and NCTPS-2 and one at ETPS, which is In defunct mode.

2. One regular CE/Mechanical is posted in charge of ETPS. There were two Chief Engineers/ Electrical at MTPS-2 & NCTPS-1. Of course, the regular Incumbent at MTPS-2 has retired on

E-mail : tnebea@gmail.com Web : www.tnebengineers.in

31.05.2023. The remaining 3 Thermal Power Stations were allowed to be managed by SEs/ Mechanical with much lesser experience under the mode of FULL ADDITIONAL CHARGE (FAC). What is worse to be noted is that such FAC is allowed to be continued for months together. Such irrational choice of FAC denies the legitimate right of the eligible candidates in their turn, while those, who do not fall within the zone of promotion in their turn, were allowed to enjoy the post of Chief Engineers for a long time.

3. This Association requests that the respected CMD may be pleased to consider posting of regular Chief Engineers/Electrical to 3 Thermal Power Stations and regular Chief Engineer/Mechanical to one Thermal Power Station at the earliest, giving a go-by to the practice of FAC.

Thanking You,  
With warm regards.

Yours sincerely

  
(V. Shanmuga) 16/06/2023
